

Popular Party Themes

Below are some examples of popular party themes. These are just examples, we can accept any appropriately themed party supplies. Please keep in mind that our boxes are delivered to children aged 1-17 so it is helpful to have a variety of themes. Remember to purchase a matching napkin or coordinating solid color.

General Happy Birthday (especially good for our Teen boxes)

We can use general Happy Birthday themed supplies for children of any age.

General Party Themes

We provide themed party supplies that are age appropriate and do our best to accommodate a special interest a child may have if available.

Licensed Characters

We provide licensed character party supplies that are age appropriate and do our best to accommodate a special interest a child may have if available.
